The collection of a handling fee is required by 37 CFR 1.16. The independent claim need not contain a reference to the handle which is by file date 1. The PTO will not accept a replication. Confidentiality is given under 37 CFR 1.11, 1.12, and 37 CFR 3.14. However, if a continuation of a file 1, handle 1, and/or 37 CFR 3.14 filing is being filed along with a continuing application, the complete application must be filed under 37 CFR 1.16. The new claims depend on those of the original application. All fees are to be paid to the USPTO. The filing date of the original application is the filing date of the continuation application. The filing date of the continuation application is the date of the original application plus 12 months, except for a continuation filed under 37 CFR 1.12.

The present application is a continuation of application number 10/145,649, filed 12/10/03, and is entitled "A SYSTEM AND METHOD FOR DETERMINING THE EXISTENCE OF A PATENTABLE SUBJECT MATTER". The present application is also a continuation of application number 10/145,650, filed 12/10/03, and is entitled "A SYSTEM AND METHOD FOR DETERMINING THE EXISTENCE OF A PATENTABLE SUBJECT MATTER".
